The College will be hosting an Open Evening this year on **Thursday 25th January 2018 from 6pm – 7:30pm.**

We look forward to welcoming you to the College and having you explore our fantastic range of courses and facilities.

The National College

The largest of five new government-backed, employer-led national colleges – The National College for High Speed Rail – is hosting its first ever open days to allow people to find out more about the new employment opportunities the college will create when it officially launches later this year.

With industry support from several leading employers in rail, construction and infrastructure, the open day in Birmingham is set to take place on the **3rd May from 4-7pm at Millennium Point** whilst the open day in Doncaster is set to take place on Thursday 4th May from 4-7pm at Keepmoat Stadium. The free events will offer the chance for attendees to talk to college staff and meet with the businesses who are working with the college to develop its world-class curriculum.

The college open day will allow people to find out more about the college, meet the employers backing the new institution, take away a prospectus and find out how and when to apply. Employers supporting the event include Trimble, A-Plant, Highfield Qualifications, Hitachi, Colas Rail, British Steel, Intertrain, Wilmott Dixon, Alstom UK, VolkerRail, ACO Water Management, Thales, and Atkins Ltd.
